Case Manager (FULL-TIME)

BENEFITS:

- **Health Insurance**
- **Dental Insurance**
- **Vision Insurance**
- **Pension Plan**
- **Employer paid Ancillary benefits (short-term, long-term, and life insurance)**
- **Generous leave time package**

QUALIFICATIONS:

Education: Bachelor's Degree from a recognized or accredited institution with coursework in mental health OR a Registered Nurse. Staff must be licensed as a LLBSW, LBSW or RN in the state of Michigan. LLBSW will be considered and supervision for full licensure may be provided in return for an employment commitment of 2 years.

Experience: One or more years of relevant mental health, or relevant nursing experience. Experience less one year will require additional clinical supervision until minimum experience qualifies as a QIDP or QMHP.

Other Good communication skills (both verbal and written) are essential. Functional computer literacy is required within 6 months from the date of hire. Must possess a valid driver's license and acceptable driving record (as determined by the agency).

SUMMARY OF Case Manager RESPONSIBILITIES:

Casemanagers will provide those services, which will assist individuals who have a serious mental illness, Intellectual/Developmental Disability, autism spectrum disorder (ASD) (adults), serious emotional disturbance (children), or substance use disorder in accessing needed medical, social, educational and other services. Casemanager will assist individual in accessing and maintaining a continuum of mental health services, in order that they can continue to remain as independent as possible, as identified through person centered planning. Core elements of casemanagement services are assessment, service plan development, linking/coordination of services, reassessment/follow-up, and monitoring of services. There is continual emphasis on least restrictive, most integrated service and supports being provided.

Salary: \$37,148 to \$51,417 /year as BSW or \$40,788 to \$56,451 as RN

Registered Nurse-Assertive Community Treatment Team (FULL-TIME)

Nurse BENEFITS:

- **Health Insurance**
- **Dental Insurance**
- **Vision Insurance**
- **Pension Plan**
- **Employer paid Ancillary benefits (short-term, long-term, and life insurance)**
- **Generous leave time package**

QUALIFICATIONS:

Education: Registered Nurse Degree from a recognized or accredited institution with course work in mental health.

Experience: One or more years of relevant mental health experience. Good communication skills (both verbal and written) are required. Possess State registration as a Registered Nurse. Lived experience with mental illness, intellectual and developmental disabilities, and/or substance use disorders valued.

Other: Functional computer literacy is required within 6 months from the date of hire.

SUMMARY OF Nurse RESPONSIBILITIES:

This person will function as a member of the Assertive Community Treatment Team. Primary areas of responsibility include nursing assessments to include monitoring of consumer's health care needs, collaboration and monitoring of the consumer, his/her family (if appropriate), social, community, and vocational/educational functioning.
