

# Wraparound

## ■ What is it:

- The goals of Wraparound are to attain positive outcomes by providing a structured and creative team planning process that allows the family to learn problem solving skills, coping skills and self-efficiency.

## ■ Who is it for:

- Wraparound is for those 0-18 of age, who qualify under Community Mental Health Services. The Wraparound process involved four phases of effort:
  - Engagement and team preparation
  - Initial plan development
  - Implementation
  - Transition

## Services Provided:

- Care Coordination
- Building family support systems
- Crisis intervention and prevention
- Safety planning
- Life skills education
- Individualized support
- Referral assistance for family needs
- Access to community resources

## Program Objectives:

- Empower youth families
- Provide for a stable family unit
- Decrease out-of-home placement
- Improve school performance
- Promote positive emotional and behavioral functioning
- Decrease interactions with the legal system

## Making a Referral

- Service available in Alcona, Alpena, Montmorency and Presque Isle Counties
- Must be authorized by CMH for services
